In the event the State of the residence or legal domicile of an eligible person cannot be ascertained, or the Secretary is unable to arrange with the proper authorities of such State, or of a political subdivision thereof, for the assumption of responsibility for his care and treatment, the Secretary may, if he determines that the best interests of such person will be served thereby, transfer and release the eligible person to a relative who agrees in writing to assume responsibility for such person after having been fully informed as to his condition.

Any person found upon such examination to be in need of such hospitalization shall thereafter, as frequently as practicable but not less often than every six months, be reexamined and shall, whenever it is determined that the conditions justifying such hospitalization no longer obtain, be discharged or, if found to be in the best interests of the patient, be conditionally released.

(b) Notice to legal guardian, etc.

Whenever any person is admitted to a hospital pursuant to this chapter, his legal guardian, spouse, or next of kin shall, if known, be immediately notified.

§ 326. Release of patient

(a) Request; determination of right to retain; retention after request

If a person who is a patient hospitalized under section 322 or 324 of this title, or his legal guard-

ian, spouse, or adult next of kin, requests the release of such patient, the right of the Secretary, or the head of the hospital, to detain him for care and treatment shall be determined in accordance with such laws governing the detention, for care and treatment, of persons alleged to be mentally ill as may be in force and applicable generally in the State in which such hospital is located, but in no event shall the patient be detained more than forty-eight hours (excluding any period of time falling on a Sunday or legal holiday) after the receipt of such request unless within such time (1) judicial proceedings for such hospitalization are commenced or (2) a judicial extension of such time is obtained, for a period of not more than five days, for the commencement of such proceedings.

(b) Transfer to another hospital

The Secretary is authorized at any time, when he deems it to be in the interest of the person or of the institution affected, to transfer any person hospitalized under section 324 of this title from one hospital to another, and to that end any judicial commitment of any person so hospitalized may be to the Secretary.

(a) Persons liable; scope of liability; compromise or waiver; investigations; judicial proceedings

Any person hospitalized under section 324 of this title or his estate, shall be liable to pay or contribute toward the payment of the costs or charges for his care and treatment to the same extent as such person would, if resident in the District of Columbia, be liable to pay, under the laws of the District of Columbia, for his care and maintenance in a hospital for the mentally ill in that jurisdiction. The Secretary may, in his discretion, where in his judgment substantial justice will be best served thereby or the probable recovery will not warrant the expense of collection, compromise or waive the whole or any portion of any claim under this section. In carrying out this section, the Secretary may make or cause to be made such investigations as may be necessary to determine the ability of any person hospitalized under section 324 of this title to pay or contribute toward the cost of his hospitalization. All collections or reimbursement on account of the costs and charges for the care of the eligible person shall be deposited in the Treasury as miscellaneous receipts. Any judicial proceedings to recover such costs or charges shall

be brought in the name of the United States in any court of competent jurisdiction.

(b) “Costs or charges” defined

As used in this section, the term “costs or charges” means, in the case of hospitalization at a hospital under the jurisdiction of the Department of Health and Human Services, a per diem rate prescribed by the Secretary on a basis comparable to that charged for any other paying patients and, in the case of persons hospitalized elsewhere, the contract rate or a per diem rate fixed by the Secretary on the basis of the contract rate.

(Pub. L. 86-571, § 8, July 5, 1960, 74 Stat. 310; Pub. L. 96-88, title V, § 509(b), Oct. 17, 1979, 93 Stat. 695.)
